

No Mow May? *Or Maybe Not?*

An Online Panel Presentation
March 4th, 5:00 - 6:00 p.m.

The “No Mow May” initiative started in the UK with the goal of supporting pollinators. During this virtual panel presentation, we’ll explore “No Mow May” in the context of Central Pennsylvania, discuss other issues that go hand-in-hand with pollinator conservation, and learn about additional strategies we can use to support pollinators year round. **Registration is required.** Visit bit.ly/3PYr2wB or scan the QR code.
